Appendix 2

CENTRAL ONTARIO DISTRICT

STRATEGIC PLAN

April 16, 2002

Note: The Strategic Plan is included, as per resolution of the Board of Directors, as an appendix to the Policy Manual to serve as a guide to effective operation. It is a desirable but not a mandatory method of operation.

EXECUTIVE SUMMARY

The Central Ontario District is dedicated to growth, leadership and being the “Friend of Youth”. We plan to expand our growth one club and one member at-a-time.

Expansion will be achieved by continuing to do what we do best – “service to youth”. In keeping with changing membership preferences, there will be a slight shift in the way we usually do things.

The transition will be accomplished with the utmost care, protecting our primary strength: “outstanding membership”.

The Central Ontario District must continually grow if Clubs are to better serve the youth in their respective communities. Our membership philosophy is best summed up in our mission, value and vision statements.

MISSION

The Central Ontario District will provide many youth related services, build a reputation within our communities as the “service group” to join and be the “Friend of Youth”.

While we must operate as a “not-for-profit” organization, our main reason for existing is to provide for our youth. This is what distinguishes us from other service groups.

VISION

“TO BE THE BEST”

The Central Ontario District will provide a comprehensive range of programs and services for our youth and its members.

VALUES

The membership of the Central Ontario District believes that our business should be based on respect.

- RESPECT for the leadership that we depend on.
- RESPECT for the people we work with.
- RESPECT for the youth we serve.

These values should be evident in every decision we make, every piece of work we do and in every interaction that we have with people.

- We value professionalism in our service and youth work.

- We value our fellow members and youth.
- We value our community and its environment.
- We value integrity, respect and communications.

STRATEGIES

1.) Lt. Governor Reports:

Lt. Governors will be requested to provide written reports to the Governor two weeks prior to any meeting and any verbal reports will be held to a maximum of 2 minutes.

2.) Conferences:

Due to the number of days, costs, reports and other incidental things, the format should be as follows:

Friday evening		Optional Social
Saturday	8:00 am	Executive Committee Meeting
	9:30 am	Board of Directors Meeting
	11:00 am	Presentations/Workshops
	1:15 pm	Luncheon
	3:15 pm	Optimist Creed
Optional: Hospitality Room and/or "Fireside Chats"		

Note: Clubs need to be educated on how to raise funds internally to offset "out-of-pocket" expenses for members to attend these meetings.

The goal is to have representation from 100% of the clubs. The Club President is a member of the District Board of Directors and attendance is expected. The Club Secretary-Treasurer should also be encouraged to attend these informational and motivational sessions.

The purposes of these meetings are:

- to attend to District administrative business
- to provide members with personal development opportunities
- to provide education
- to encourage fellowship

3.) Lt. Governor Training at the District Convention:

There should be no Lt. Governor Training on the Thursday of the Convention weekend.

4.) President & Secretary-Treasurer Designate Training at the District Convention:

Attendance by these people is traditionally very low. In order to ensure maximum benefit, the training of President & Secretary-Treasurer Designates should be regionalized.

5.) Leadership:

Leadership is developed within a Club. All Optimist positions should have a detailed job description. We will encourage mentoring and knowledge of Club structure from within.

6.) Growth:

- We will promote and use the NOW (New Optimist Welcome) program.
- We will encourage the establishment of youth interaction within club membership.
- We will develop a growth plan within the District at the beginning of each administrative year with an overlap into the next year.

7.) Communication:

- We will increase the use of technology, internet and the District website.
- We will promote the use of club bulletins to foster personal contact.
- We will encourage clubs to be linked to the District website.
- We will endeavor to have regular mailings to the Board of Directors to foster better relations with club members.

MEASURES

The District Executive will monitor the Strategic Plan by way of performance. A survey will be prepared to get feedback from club members and statements made about Optimists in the local media.

The District Executive will monitor and report to Optimist International on the following items:

- growth within the district
- accomplishment of the Governor's goals
- the District's financial situation.

CONCLUSION

The Strategic Plan is designed to enhance the image of the Central Ontario District so that the club membership is aware of the fact that the Central Ontario District serves them.

It provides for improved leadership, the development of procedures to improve communication and it promotes the sort of culture that members would like to see. This is in harmony with the Central Ontario District Mission Statement.

The role of the Executive Committee is to promote growth and provide leadership within the Central Ontario District.

The Committee recognizes that success is dependant on demanding accountability and follow-up on all aspects of any project. The Committee further recognizes that serious problems require serious solutions. It is essential that the District always operate in a businesslike manner.

THE DISTRICT EXECUTIVE COMMITTEE IS COMMITTED TO:

- ensuring growth within existing Optimist clubs and creating new Optimist clubs.
- aiding Optimist clubs to provide youth and community service activities.

RENEWAL PLAN:

1. The Executive Committee identifies clubs that are “at risk” and/or need revitalization.
2. Select an “Action Team” for each identified “at risk” club. The Action Team would consist of 4 – 5 members who are committed to attending all or most meetings and events of the target club during the period of renewal. The Action Team requires at least one member with current or past Club Services Committee experience, the Lt. Governor, and two or 3 enthusiastic Optimists from the area. The Action Team requires access to all appropriate materials and specific links to Optimist Leaders Online resources.
3. Select a “Mentor club”. This club should have close ties to the target club (either the sponsor club or a geographically close club) and be in a similar type of community. Members from the Mentor club would attend as many meetings and events as possible to provide a “boost”. This should help with spirit and morale when the program is successful.
4. Predetermine dates for completion of the various steps of the Renewal Plan. Appoint a committee member to track progress. Tracking will enable and ensure intervention if the Action Team is not fulfilling its mandate or falling behind schedule.
5. The Action Team should meet with “key members” of the “at risk” club so that a plan can be established.
6. The Action Team will assess the “at risk” club’s status – membership and involvement level, current activities, finances, meeting location, etc.
7. Because new members need a reason to join a club, community needs must be identified and a commitment to service must be made to attract new members.
8. Draw up a 6 to 9 month “calendar of events” consisting of existing programs, fund raising, OI programs, new (small-scale) youth/community events and social activities. The effectiveness of running an OI program such as Respect for Law, Youth Appreciation, and Safety on Wheels etc. should not be underestimated. Information on these programs is readily available and can usually be organized with little manpower. The “District Census”, “Activity Reports” etc. are excellent sources for creating a list of suggested projects.
9. Undertake a “community needs” assessment. This will require talking to “community leaders”.

10. Organize and schedule a “NOW” event. The Action Team will be instrumental in making the NOW event a success. With an “activities calendar” in place, new members will know what they will be involved with and will see a club that has a plan and a place in the community. Information from the “needs assessment” can be used to highlight activities that the club could do if it had more members.
11. Obtain as much publicity as possible for the “at risk” club and profile its past work in the community.
12. As new members are added, the club can add more projects. Encourage new members to participate in club activities and to bring in more new members.
13. Arrange a special “orientation” session for new members. This will enable them to assume leadership roles in the club. The original members may become excited with the club’s renewed enthusiasm.
14. Continue contact between the Mentor Club and the Target Club and make sure that “Interclub Meetings” and/or joint activities are scheduled (reference the New Club Follow-Up Program).
